

## **Coltishall Allotment Association**

would like to hear from anyone in the community who would like to rent an allotment plot at our site on Rectory Road;

A number of plots are available now on a first-come-first-served basis; after that we will enter names onto a waiting list;

There is a small charge of £15 per annum, a small outlay for a potential big return.

**[Half size plots may be available on Request]**
