Message from Inspector Rob Wicks

“Welcome to this month’s newsletter. My team have been very proactive over the past 3 months in their policing, targeting vulnerable premises and focussing on disruption of persons believed involved in criminality. Common with all policing areas we are receiving sporadic reports relating to ASB and drug use which has led to Hi-visibility patrols and stop searches, thereby disrupting such behaviour. Sadly my team have noticed an increase in the number of persons driving under the influence of drink and/or drugs, if you are in any doubt, please think twice before driving, these actions put the lives of others at risk. In the event you witness any ASB or suspicious behaviour please contact us either by dialling 101 or in an emergency 999 or you want to remain anonymous you can contact Crimestoppers on **0800 555111**”

Broadland Engagement Officer PC Vicky Bailey

Do you know about Courier Fraud? Do your loved ones? Fraudsters are deliberately targeting older and vulnerable people in our area. Courier fraud happens when a fraudster contacts a victim by telephone claiming to be a police officer, bank or government agency. A number of techniques will then be adopted in order to convince the victim to hand over their bank details or cash, which may then be passed on to a courier. Neither your bank nor the police will ever ask you to withdraw money or purchase items. Your bank or the police will never ask for your PIN, bank card or bank account details over the phone – never give these details to anybody. Neither the police nor the banks will send a courier to collect money or bank cards from you. Please let us know if you have received a similar type of telephone call or have any information about these incidents. Finally, please keep talking to your friends, parents and grandparents and make sure they know about #CourierFraud.

Your local Temporary Beat Manager PC Lucas Ward What is Happening in your Area

Hello to Everyone,

I hope you have all been safe and healthy during these unprecedented times.

Hopefully you will have seen me out and about on patrol. Please do stop me and say hello, if you have any concerns or issues within the community please tell me. Unfortunately, my usual face to face engagements have been put on hold, but will resume as soon as possible.

I have been patrolling my beat area and giving special attention to public spaces and recreation grounds. It has been a pleasure to meet and talk with people whilst out patrolling, hopefully everyone is enjoying the very good weather we are having at present.

Whilst we enjoy the warm weather can I take this opportunity to remind residents not to leave valuable items on display in their gardens. Please also remember to lock your windows and doors when not at home and in the evenings.

Thank you to the people who also joined in with the sunflower campaign. I have seen some great artwork and creative designs whilst I've been on patrol. I'm sure all of your efforts have been appreciated by many people.

Neighbourhood Priorities
